Program Description

The Communication Studies Transfer Pathway AA offers students a powerful option: the opportunity to complete an Associate of Arts degree with course credits that directly transfer to designated Communication Studies bachelor's degree programs at Minnesota State universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

Program Learning Outcomes

- Demonstrate the ability to set and accomplish communicative goals.
- Create clear messages appropriate to audience, purpose, and context.
- Practice active listening and mindful response to create more effective communication.
- Recognize and articulate the influence culture has on human perspective and communication.
- Apply knowledge, skills, and understanding of human communication that facilitate their ability to work collaboratively with others.

MISSION

Minnesota North College prepares lifelong learners and engaged citizens through inclusive, transformative experiences reflecting the character and natural environment of the region.
