Types of Aid

These are gift awards that you do not have to repay!

When you submit your FAFSA you are automatically considered for the following grants: Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Pell Grant, Minnesota State Grant.

Each of our campuses have Foundations that give out thousands of dollars in scholarships. Most applications open in February.

Check with your high school and local community on more scholarships.

Work-Study:

Work on-campus to help pay your expenses.

Eligibility is determined through the FAFSA. You must be enrolled in at least 6 credits to be eligible. Based on financial need.

Loans:

Loans must be paid back after graduation.

Eligibility for federal loans is determined through the FAFSA.

Subsidized loans are interest free while you are a student – so these are the best! Unsubsidized loans begin to accrue interest immediately.

There are also private loans you can look into if needed.
